

C3 | Interventional Academy Presents  
**Coffee, Cases and Controversies**  
Saturday, January 16 | 10:00 AM - 11:00 AM EST

Coffee  
Cases  
Controversies

## COREFLOW TECHNOLOGY

Case 1: Normal Coronaries with Abnormal IFR

Case 2: Post Stent Abnormal FFR of 0.82

## MEET THE EXPERTS

**Raj Dave', MD, FACC, FSCAI**  
C3 Course Director | Chairman, Department of Cardiology  
The Ortenzio Heart Center at Holy Spirit Hospital

Dr. Rajesh Dave' is a recognized leader in cardiovascular intervention and a frequent speaker at global conferences. He is a pioneer in endovascular interventions, CLI, limb salvage and carotid artery stenting. Dr. Dave' serves as Chief Medical Executive of Holy Spirit Cardiovascular Institute and Chief of Cardiology and Director of Cardiac Catheterization Laboratories at The Ortenzio Heart Center and Holy Spirit Hospital in Camp Hill, Pennsylvania. Dr. Dave' serves as Editor-In-Chief of Heart International, Founder and Course Director of C3 Global Summit, an annual conference and exhibition now drawing 6,500+ attendees, and is a founding member of the American Bifurcation Club.

**William F. Fearon, MD**  
Professor of Medicine | Director of Interventional Cardiology  
Stanford University Medical Center

Dr. Fearon is a Professor of Medicine, Director of Interventional Cardiology at Stanford University Medical Center and the Chief of the Cardiology Section at the VA Palo Alto Health Care System. Dr. Fearon has been elected to the American Society for Clinical Investigation and the Association of University Cardiologists. Dr. Fearon's primary area of research interest is in coronary physiology. He has been the principal investigator of numerous multicenter clinical trials, including the FAME trials, which have resulted in multiple publications in the New England Journal of Medicine and led to worldwide adoption of the use of coronary physiology to guide revascularization decisions in the cardiac catheterization laboratory. As the principal investigator of the FAME 3 trial comparing bypass surgery to fractional flow reserve guided percutaneous coronary intervention, Dr. Fearon serves on the Editorial Board of the Journal of American College of Cardiology Circulation, JACC Cardiovascular Interventions, and Circulation: Cardiovascular Interventions.

## ROUNDTABLE MODERATORS

**John Blair, MD, FACC**  
University of Chicago Medicine

**Gautam Kumar, MD, FACC, FSCAI**  
Emory University & Atlanta VA  
Medical Center

**Sandeep Nathan, MD, MSc,  
FACC, FSCAI**  
University of Chicago Medicine
